NOTE BY THE PRESIDENT OF THE SECURITY COUNCIL

Following consultations with the members of the Security Council, the President of the Council made the following statement, on behalf of the Council, at its 3185th meeting, held on 18 March 1993, in connection with the Council's consideration of the item entitled "Central America: efforts towards peace":

"The Security Council welcomes the recent efforts to apply fully the peace accords in El Salvador and acknowledges the sense of responsibility and cooperation demonstrated by the Government of El Salvador and the Frente Farabundo Martí para la Liberación Nacional to reach this objective.

"In this context, the Security Council welcomes the submission of the report of the Commission on the Truth and of its recommendations intended to prevent the repetition of the acts of violence committed during the twelve years of armed confrontation, as well as to create confidence in the positive changes caused by the peace process and stimulate national reconciliation.

"The Security Council underlines the need for the parties, in accordance with the peace accords, to comply with the recommendations contained in the report of the Commission on the Truth, as well as all other obligations which remain to be implemented. In addition, it calls upon Salvadorian society to continue acting with the responsibility which it has demonstrated throughout this process, in order to contribute to the consolidation of internal peace and the maintenance of a genuine and lasting atmosphere of national harmony.

"The Security Council invites the Secretary-General to keep it informed regarding the implementation of the parties' pending commitments and reiterates that it will continue to follow closely the evolution of the peace process in El Salvador and stands ready to assist the parties as appropriate to achieve the successful completion of that process."
